I will be using Columbine Federal Credit Union's Bill Pay Service through the SINGLE access device of my CFCU checking account.

I authorize my financial institution to debit my CFCU checking account for the appropriate monthly bill payment service fee. I understand that all service fees will be automatically debited monthly from the designated account until I provide written notification to CFCU Member Service to cancel the account. My first use of the service signifies that I have read and accepted all terms and conditions of the service.
